AND Pass Aptitude Test conducted by SLIIT, and Interview conducted by the School of Psychology, SLIIT

Psychology is the study of the mind and behaviour of humans and animals. It is a broad field that encompasses a wide range of topics, including human development, cognition, emotion, and social behaviour. The field of Psychology is increasingly in demand worldwide.

There is an increasing global need for trained professionals in the field of Psychology. Psychology and its teachings can be applied in many day-to-day life settings, and trained professionals are able to apply the findings and principles of Psychology effectively in diverse fields.

An individual with a Psychology degree has the option of opting for postgraduate level studies or to work within and outside of Psychology depending on their interests and skills. Individuals with postgraduate level qualifications will be eligible to engage in

rewarding careers as Psychologists in specialised sub-disciplines in Psychology.
