The degree envisages in developing critical thinking and the capacity and skills in conducting research of high value, of committed and inspired students with scientific curiosity who envision a life-long career based on research capabilities.

DOCTOR OF PHILOSOPHY (PhD)

PhD Degrees of SLIIT are offered in Computing, Engineering and Business fields. They are research-based degrees and endeavor to make original contributions by the discovery of new knowledge to foster the development of the identified thrust areas and potentially coupled with providing meaningful solutions to current industry problems that could subsequently evolve as emerging technologies. The degree envisages in developing the capacity and skills in conducting high quality research in locally important thrust areas of global value, of determined and inspired students with high scholastic aptitude who envision emerging as academics and leading researchers. SLIIT's Honorary Professors' Network could also be used as an effective complementary platform for providing foreign supervisors in conducting related research.
