

**A. Relevant disclosures in terms of the 'Guidance note on accounting for employee share-based payments' issued by ICAI or any other relevant accounting standards as prescribed from time to time.**

During the year ended 31<sup>st</sup> March 2006, the Company had issued 500,000 equity shares of Rs. 10 each at a premium of Rs. 5 per share to Inox Leisure Limited – Employees’ Welfare Trust (“ESOP Trust”) to be transferred to the employees of the Company under the scheme of ESOP framed by the Company in this regard. The Company has provided finance of Rs. 75 lacs to the ESOP Trust for subscription of these shares at the beginning of the plan.

As per the Guidance Note on Accounting for Employee Share-based Payments issued by the Institute of Chartered Accountants of India, shares allotted to the ESOP Trust but not transferred to employees is required to be reduced from Share Capital and Reserves. Out of the 500,000 equity shares allotted to the ESOP Trust, 204,999 shares have been transferred to employees up to 31<sup>st</sup> March 2015. Accordingly, for the balance number of shares, the Company has reduced the Share Capital by the amount of face value of equity shares and Share Premium Account by the amount of share premium on such shares. The Company has also given effect to the above in the calculation of its Basic and Diluted earnings per share.

There are no outstanding stock options as at 31st March 2016.

The compensation costs of stock options granted to employees under the Employees’ Stock Option Plan were accounted by the Company using the intrinsic value method. In accordance with the Guidance Note on Accounting for Employee Share-based Payments issued by the Institute of Chartered Accountants of India, the accounting value of options was amortized over the vesting period. Consequently, ‘Employee benefits expense’ in Note no. 27 includes Rs. Nil (previous year Rs. 1.36 Lakh) being the amortization of employee compensation. Had the Company adopted fair value method in respect of options granted, the employee compensation cost in the previous year would have been higher by Rs. 0.97 Lakh, profit before tax lower by Rs. 0.97 Lakh and the basic and diluted earnings per share would have been lower by less than Re. 0.01.

**B. Diluted EPS on issue of shares pursuant to all the schemes covered under the regulations shall be disclosed in accordance with 'Accounting Standard 20 - Earnings Per Share' issued by ICAI or any other relevant accounting standards as prescribed from time to time. – NOT APPLICABLE**
