Recipient Name Dear Valuable Customers

Title **Chemical Equivalency Certificate**

Salutation:

We at DuPont value you as our customer and continuously strive to provide you with consistent product quality, supply, and service. It is our objective to help you succeed by delivering materials that are manufactured and tested in accordance with high quality standards.

As a part of separating from DowDuPont into Dow and DuPont, some of Dow Corning products are moved into DuPont, and another some products are sharing with both of Dow and DuPont. During this changing, we are going to change company Logo, however regarding our company's rebranding activities, there are no changes to manufacturing facilities, processes, test methods, or equipment used for the following products at this time. In the event of any changes to the foregoing, DuPont will follow its standard change management and notification process.

DOW CORNING® 3140 RTV COATING

AS IS	TO BE
DOW®	DUPONT™

We remind you that customers must determine the suitability of our products for use in their applications and formulations. This information should not be used in substitution for customer tests to ensure that the products are safe, effective and fully satisfactory for the intended end-use.

If you have any questions, please contact us.

Sincerely,
