

The image features a collection of Wise storage products arranged around a central text area. At the top left, a portion of a black SATA-to-USSD adapter is visible. Below it, a 64GB Wise microSD V30 card is shown. In the top center, a 512GB M.2 2280 PCIe NVMe GEN3 SSD is displayed, featuring a blue label with 'PHISON' branding and '512GB' capacity. To its right, a black box for a 512GB SSD is partially visible. In the bottom left, a black SSD enclosure with a silver Wise logo is shown. In the bottom center, another 64GB Wise microSD V30 card is positioned. To the right of the center, a 256GB M.2 2280 PCIe NVMe GEN3 SSD is shown, featuring a blue label with 'HOSHIO' branding and '256GB' capacity. In the bottom right corner, the text 'P.Series (Power by Phison) Made In Taiwan' is displayed. The background is a light gray surface with a subtle geometric pattern.
