A Message to Our Dialog Club Vision Members,

In this latest edition of our Dialog Club Vision newsletter, I am pleased to share a range of products and solutions designed to enhance your experience, whether you're at home, on the move, or expanding your business.

This issue features our all-new Dialog Power Plans, offering greater value, flexibility, and priority access to our network, along with exclusive Club Vision lifestyle and dining privileges through our premium partners, as well as an exciting array of live sports content available on Dialog Television. In addition, we showcase a comprehensive range of Dialog Enterprise solutions tailored to support your business ambitions.

Discover seamless global connectivity with Dialog Roaming across more than 200 destinations, as well as our advanced SmartHome Wi-Fi Mesh solutions, delivering powerful Wi-Fi 6 broadband coverage throughout your home.

The Dialog Club Vision Loyalty Programme is thoughtfully curated to ensure every interaction goes beyond service, and reflects the care, attention, and excellence you deserve.

Thank you for being an integral part of our journey.

Warm regards,

Ayomal Gunasekera
