## ABOUT ISKL

**Vision:** Know yourself, care for all, and create a better world.

**Mission:** We are an inclusive and dynamic community where passions, values, and competencies are cultivated to inspire learners to shape their path as global citizens.

Established in 1965, The International School of Kuala Lumpur (ISKL) has become known as a center of excellence in the world of international education. ISKL is a co-educational, private, non-profit school responsible for the learning journey of over 1,600 students aged 3-18 years representing over 65 nationalities at its state-of-the-art campus in the heart of Kuala Lumpur.

ISKL offers a robust international curriculum that combines leading North American educational frameworks with global best practices. The curriculum recognizes that students are on a lifelong learning journey and is driven by ISKL's Mission to support students in cultivating their passions, values, and competencies as they shape their path as global citizens.

ISKL is accredited internationally through the Council of International Schools (CIS), in the United States through the Western Association of Schools and Colleges (WASC), and is an IB World School. ISKL has a strong school-wide focus on service and sustainability and is a member of the Eco-Schools organization and the Green Schools Alliance.

## JOB PURPOSE

The PE Teacher will play a crucial role in promoting physical fitness, well-being, and a love for sports among our ES ISKL students. The ideal candidate should have a strong background in physical education and be dedicated to helping students develop essential life skills through sports and physical activities.

## RESPONSIBILITIES inclusive but not limited to:

- Develop and implement engaging and age-appropriate physical education curricula for ES students from various age groups and backgrounds.
- Conduct physical fitness assessments and provide individualized feedback and support to students to help them improve their physical abilities.

- Create a safe and inclusive environment where students can participate in a wide range of sports and physical activities.
- Teach students the fundamentals of different sports, including rules, techniques, and strategies.
- Encourage teamwork, sportsmanship, and fair play among ES students.
- Monitor and maintain sports equipment and facilities to ensure they are safe and in good working condition.
- Collaborate with other teachers and staff to integrate physical education concepts into the broader curriculum
- Communicate regularly with parents and guardians to provide updates on students' progress and well-being.
- Stay current with developments in physical education and sports science through professional development and training opportunities.

### **Technical skills**

- Ability to adapt teaching methods to meet the needs of diverse learners.
- Versed in documenting student learning via innovative approaches.
- Experience using age appropriate technological tools to enhance teaching and learning.
- Must have strong organizational skills, ability to multitask, meticulous with the aim to complete tasks within timelines.
- Cultural sensitivity and the ability to work in a multicultural setting.
- Posses computer technology skills.

### **Personal attributes**

- Emulate and excel in ISKL's culture in demonstrating empathy and care, commitment to collective efficacy beliefs in nurturing positive impacts to students' achievements and have high expectations of self is an absolute necessity
- Have the ability to interact well with all within the ISKL community, able to navigate and be respectful in multinational settings
- Maintain a caring yet professional relationship with the students through respecting each student as an individual
- Be a self-starter, independent, problem-solver, flexible, hardworking and have the ability to be creative and be an absolute team player
- Be able to think creatively, communicate effectively, reason critically, collaborate constructively and learn enthusiastically.
- Demonstrated ability to develop community and generate trust while working with others
- Highly energetic, enthusiastic, visible, approachable and open minded

### **Qualifications and experiences preferred**

- Bachelor's degree in Physical Education or a related field (Master's degree preferred)
- Teaching certification and/or relevant teaching experience, especially in an international school setting
- Commitment to fostering a positive and inclusive learning environment.

### **Important notes:**

Role holders are expected to be fully committed and supportive of ISKL's ongoing commitment to fostering, cultivating and preserving a culture of Diversity, Equity, Inclusion, and Justice by holding themselves accountable and by modeling this commitment in the execution of duties and responsibilities in ISKL.

This role profile describes the core output expected in this role and does not encompass a comprehensive list of specific tasks, temporary activities, or projects initiated as a result of changing contexts. Agility and a growth mindset are expected of all our employees.

## PROCEDURES

### Application

Please apply on our website through the online application process.

*For a teaching position to begin your application process, please ensure that you are registered with either Search Associates and/or Schrole and then complete our online application form on our [website](#).*

### Interview

Only those short-listed for an interview will be contacted. The decision and notification of the successful candidate will be made as soon as the interview process is complete.

**(Closing date to receive applications: Day Month Year )**

Candidates should be aware that in the event an exceptional applicant is identified early in the search process, ISKL reserves the right to make an appointment before the deadline is reached. Interested candidates are therefore advised to apply as early as possible.
