More time for all your activities.
When opportunity knocks, invite it in.

When opportunity presents itself, you should always welcome it in style, and that’s the reason for this lobby. You’ll have access to spaces serious enough for work and laidback enough for lounging with a good book in your hands. Decked out in natural finishes, the lobby overlooks lush greenery outdoors. You’ll even be able to get a fresh brew every morning from the automatic coffee machine.
Live your passion to the fullest.

Dream big and give it all you’ve got. We are backing you up with spaces for solo and group projects. If privacy is key, you can head into one of the private pods. With the on-site Wi-Fi, you will always be connected to sources of inspiration. All of this is designed to help you live your passion.
Focus on upskilling.

Whether you like learning something new or sharing your knowledge with your peers, these two tutoring rooms can serve you well. Accommodating up to six learners at a time, each room features desks with built-in backpack slots and other necessary equipment, such as whiteboards and smart TVs for streaming content from your smartphone or tablet. When you’re ready to learn, these rooms will be at your disposal.
Fuel up and keep going.

No armies can march on an empty stomach. To keep yourself going, head to the community pantry. There, you can purchase snacks, beverages, and ready-to-eat meals from our vending machine. The microwave next to it ensures that every meal can be served piping hot. The adjacent dining area complements your grub with a lovely view. You can also work from here if you so wish.
ФИТНЕС-САЛОНА

If you want to go all-in, you have to stay physically fit. Let the on-site fitness room helps you. The spacious fitness room features a wide range of cardio and weight-training equipment. While running on the treadmills, for instance, you can take in the view of the garden outside. It’s almost like you’re running in the wild.
Being cooped up inside all day could inhibit your creativity, but you can change it up and go to the outdoor co-working area. Seated in the garden, you will be able to draw inspiration from nature. The Sunken Court, meanwhile, can prove productive for small groups. There is always Wi-Fi, of course.
