Feel Just Right

A photograph of a white, single-story cottage with a dark grey gabled roof. A weather vane with a crab-like design is mounted on the roof. The house has a large arched entrance and a small arched window above it. To the right, there is a covered patio area with dark pillars and a wooden lattice screen. In the background, a tall, thin tree stands against a blue sky with light clouds. A low wall with Thai script is visible in the foreground.
