

DR. RANDIKA JAYASINGHE

Dr. Randika Jayasinghe is the Plastics and Waste Specialist at the Centre for Sustainable Development Reform at University of New South Wales, Australia. She holds a Ph.D. in Environmental Engineering from the University of Western Australia. With over 13 years of expertise in Plastics Waste Management, Circular Economy, and Environmental Engineering, she previously served as a Senior Lecturer at the University of Sri Jayewardenepura, Sri Lanka. She was the technical expert of the Sri Lanka national delegation to the UN Global Plastics Treaty negotiation meeting held in Busan, Republic of Korea last year. Dr. Jayasinghe has led numerous initiatives in sustainable waste management and continues to provide technical expertise for national and international projects focusing on plastic waste reduction and recycling solutions.
