GRADING SYSTEM

GRADINGS

The following grading system is adopted:

A	-	Excellent
B	-	Very Good
C	-	Good
D	-	Pass
E	-	Marginal Fail
F	-	Fail

Academic year 2005-2006 onwards:

Grade Point Average (GPA) System The GPA System was adopted from academic year 2004-2005 in the School of Humanities and Social Sciences and implemented in all other Schools for students admitted to Year 1 with effect from academic year 2005-2006 and direct entry students admitted to Year 2 with effect from academic year 2006-2007.

The grades and grade points assigned are as follows:

Letter-Grade		Grade Point
A+	-	5.00
A	-	5.00
A-	-	4.50
B+	-	4.00
B	-	3.50
B-	-	3.00

Students who are not in the GPA System follow the same grading system without the grade points.

Satisfactory/Unsatisfactory (S/U) Option The S/U grading option allows a student to take a course on an ungraded basis (i.e. no letter grade e.g. A, B etc). For a course opted to be graded on S/U basis, a student will receive academic units for the course only if he attains a 'Satisfactory' (S) grade.

Academic Unit System The Academic Unit System was adopted from academic year 1993-1994 in the Wee Kim Wee School of Communication & Information and was implemented in all other Schools from academic year 1994-1995. Students are required to obtain a specified number of academic units to fulfill their degree requirements. One academic unit is equivalent to one lecture hour for each one-semester course over a 13 teaching week period.

Transfer of Academic Units Students are allowed to take some courses from another university and transfer the number of Academic Units earned from that university towards fulfilling the degree requirements of this University.

Exemptions On the basis of relevant polytechnic diplomas, students may be granted exemption from the first year of study.

General The University's medium of instruction is English.
