This is Your Critical Illness Insurance Policy. Please read this Policy carefully to ensure that You understand the terms and conditions and that the cover You require is being provided. If You have any questions after reading this document, please contact Your insurance advisor or Tune Insurance Malaysia Berhad. If there are any changes in Your circumstances that may affect the insurance provided, please notify Us immediately, otherwise You may not receive the full benefits of this Policy.

In consideration of You paying to Us the required premium, We will insure the Insured Person as per benefits shown in Your Policy Schedule, subject to the terms, provisions, exclusions and conditions as stated in this Policy.

Your Policy comprises this document, the Policy Schedule and any endorsement. They should be read as one document and any word or expression which has a particular meaning shall have the same meaning wherever it may appear throughout the Policy.

The written proposal and the declaration submitted by You shall form the contract of this insurance. The conditions appearing in this Policy or in any endorsement are part of this contract and must be complied with You and/or the Insured Person before We pay a claim.

Our Agreement

STATEMENT Pursuant to Schedule 9 of the Financial Services Act 2013

A ‘consumer insurance contract’ is a contract of insurance entered into, varied or renewed by an individual wholly for purposes unrelated to Your trade, business or profession.
Consumer Insurance Contract (Insurance wholly for purposes unrelated to Your trade, business or profession)

This Policy is issued in consideration of the payment of premium as specified in the Policy Schedule and pursuant to the answers given in Your Proposal Form (or questionnaires answered when You applied for this insurance) and any other disclosures made by You between the time of submission of Your Proposal Form (or questionnaires answered when You applied for this insurance) and the time this contract is entered into. The answers and any other disclosures given by You shall form part of this contract of insurance between You and Us. However, in the event of any pre-contractual misrepresentation made in relation to Your answers or in any disclosures given by You, the remedies in Schedule 9 of the Financial Services Act 2013 will apply.

If You are required by Us, before this Policy is renewed or varied, to answer questions or if You are required to confirm or amend any matter previously disclosed by You to Us in relation to this Policy, it is Your duty not to make a misrepresentation when answering the questions or confirming or amending any matter previously disclosed.

You must inform Us of any change to the information given to Us in Your answers or in respect of any matter previously disclosed to Us in relation to this Policy if such changes had taken place after You have submitted the application for renewal or variation but before this Policy is renewed or varied.

This Policy and any attached endorsement or supplement provided that the name and form number for such endorsement or supplement is listed in the Policy Schedule reflects the terms and conditions of the contract of insurance as agreed between You and Us.

DEFINITIONS

Accident means bodily injury caused solely by accidental means and not by Sickness, Disease, Illness or gradual physical or mental process.

Activities of Daily Living (ADL) are as follows:
(a) Transfer – getting in and out of a chair without requiring physical assistance.
(b) Mobility – the ability to move from room to room without requiring any physical assistance.
(c) Continence – the ability to voluntary control bowel and bladder functions such as to maintain personal hygiene.
(d) Dressing – putting on and taking off all necessary items of clothing without requiring assistance of another person.
(e) **Bathing/Washing** – the ability to wash in the bath or shower (including getting in or out of the bath or shower) or wash by any other means.

(f) **Eating** – all tasks of getting food into the body once it has been prepared.

**Advanced Stage** means the advanced stage of the Critical Illness as defined in the Critical Illness Stage column of the **Critical Illness Table**.

**Age** means the Age on next birthday.

**Assessment Period** means the period during which **We** will assess a condition before deciding whether or not the condition qualifies as being **Permanent**. The **Assessment Period** will be for the minimum period time frame stated in the relevant definition and will not be longer than twelve (12) months (provided all required evidence has been submitted).

**Congenital Conditions** means any medical or physical abnormalities existing at the time of birth, as well as neo-natal physical abnormalities developing within six (6) months from the time of birth. This will include all **Congenital Conditions** as classified and listed by the World Health Organization on Congenital, Malformations, Deformations and Chromosomal Abnormalities. They will include hernias of all types and epilepsy except when caused by a trauma which occurred after the date that the **Insured Person** was continuously covered under this Policy.

**Critical Illness Category** means the category of Critical Illness for all benefits as set out in the **Critical Illness Table**.

**Diabetic Care Disease** means the following:

1. **Surgery for Type 2 Diabetic Retinopathy**
   Diabetic Retinopathy with the need to undergo laser treatment to treat leaking blood vessels in the eye. This surgery must be certified to be absolutely necessary by a specialist in the relevant field with support of Fluorescein Fundus Angiography report and visual acuity of 6/18 or worse in the better eye using a Snellen eye chart.

2. **Severe Diabetic Nephropathy**
   A definite diagnosis of Diabetic Nephropathy by a specialist in the relevant field and is evident by GFR less than 30ml/min/1.73m² with ongoing proteinuria greater than 300mg/24 hours.

3. **Limb Amputation due to Type 2 Diabetic Complications**
   The actual undergoing of amputation of a leg / foot / arm / hand to treat gangrene that has occurred because of a complication of diabetes.

**Disability** means a **Sickness, Disease, Illness** or the entire injuries arising out of a single or continuous series of causes.
**Early Stage** means the early stage of a Critical Illness as defined in the Critical Illness Stage column of the Critical Illness Table.

**Expiry Date** means the date when the Policy expires and is shown in the Policy Schedule.

**Irreversible** means cannot be reasonably improved upon by medical treatment and/or surgical procedures consistent with the current standard of the medical services available in Malaysia.

**Illness** or **Disease** or **Sickness** means a physical condition marked by a pathological deviation from the normal healthy state.

**Insured Person** means the person insured under this Policy and is named in the Policy Schedule.

**Issue Date** means the date We issue this Policy as specified in the Policy Schedule, or in the case of any attached supplement or endorsement as specified in the supplement or endorsement. It is the month, day and year this Policy and any supplement or endorsement takes effect.

**Medical Practitioner** or **Physician** means a person who has a medical degree and is licensed or registered in Malaysia to practise western medicine. **Medical Practitioner** cannot be any of the following people:

(a) **Policyholder**;
(b) **Insured Person**; or
(c) Spouse or relative of the **Insured Person**.

**Orang Kurang Upaya (OKU) / Persons With Disabilities (PWD)** means Persons with Disabilities Act 2008 defined persons with Disabilities as those who have long term physical, mental, intellectual or sensory impairments which in interaction with various barriers may hinder their full and effective participation in society. There are 7 types of Disabilities; Learning, Mental, Physical, Multiple Disabilities, Visual Impairment, Hearing Impairment and Speech Impairment.

**Policy Anniversary** means the same day and month each year as the **Policy Date**.

**Policy Date** means the Period of Insurance as shown in the Policy Schedule.

**Permanent** means expected to last throughout the lifetime of the **Insured Person**.
Permanent Neurological Deficit with Persisting Clinical Symptoms means symptoms of dysfunction in the nervous system that are present on clinical examination and expected to last throughout the lifetime of the Insured Person. Symptoms that are covered include numbness, paralysis, localised weakness, dysarthria (difficulty with speech), aphasia (inability to speak), dysphagia (difficulty swallowing), visual impairment, difficulty in walking, lack of coordination, tremor, seizures, dementia, delirium and coma.

Pre-Existing Illness means the Disability that the Insured Person has reasonable knowledge of. An Insured Person may be considered to have reasonable knowledge of a Pre-Existing Illness where the condition is one for which:

(a) the Insured Person had received or is receiving treatment;
(b) medical advice, diagnosis, care or treatment has been recommended;
(c) clear and distinct symptoms are or were evident; or
(d) its existence would have been apparent to a reasonable person in the circumstances.

Reinstatement Date means the date Your application for reinstatement is approved as specified in the Policy Schedule, or in the case of any attached supplement or endorsement as specified in the supplement or endorsement.

Sum Insured means the sum insured as shown in the Policy Schedule or any subsequent endorsement issued by Us.

Survival Period means the period of seven (7) days after the diagnosis of a covered Critical Illness for which the Insured Person must survive before a claim becomes valid.

You, Your, Yours and Policyholder means the Policy Owner named in the Policy Schedule.

We, Us, Our, Ours and Company means Tune Insurance Malaysia Berhad at its registered office in Kuala Lumpur, Malaysia.

| Option 1A or Option 2A or Option 3A | Heart Attack | Advanced Stage | 100 | **Heart Attack – of specified severity**  
Death of heart muscle, due to inadequate blood supply, that has resulted in all of the following evidence of acute myocardial infarction:  
(a) A history of typical chest pain;  
(b) New characteristic electrocardiographic changes: with the development of any of the following:  
   ST elevation or depression, T wave inversion, pathological Q waves or left bundle branch block; and  
(c) Elevation of the cardiac biomarkers, inclusive of CPK-MB above the generally accepted normal laboratory levels or Troponins recorded at the following levels or higher:  
   Cardiac Troponin T or Cardiac Troponin I > / = 0.5 ng/ml  
The evidence must show the occurrence of a definite acute myocardial infarction which should be confirmed by a cardiologist.  
For the above definition, the following are not covered:  
(a) occurrence of an acute coronary syndrome including but not limited to unstable angina.  
(b) a rise in cardiac biomarkers resulting from a percutaneous procedure for coronary artery disease. |
| Option 1A or Option 2A or Option 3A | Cancer | Advanced Stage | 100 | **Cancer – of specified severity and does not cover very early cancers**  
Any malignant tumour positively diagnosed with histological confirmation and characterized by the uncontrolled growth of malignant cells and invasion of tissue. The term malignant tumour includes leukemia, lymphoma and sarcoma.  
For the above definition, the following are not covered:  
(a) All cancers which are histologically classified as any of the following:  
   i. pre-malignant  
   ii. non-invasive |

(d) All tumours of the urinary bladder histologically classified as T1N0M0 (TNM classification)  
(e) Chronic Lymphocytic Leukemia less than RAI Stage 3  
(f) All cancers in the presence of HIV  
(g) Any skin cancer other than malignant melanoma.

For the above definition, the following are not covered:  
(a) Transient ischemic attacks (TIA)  
(b) Cerebral symptoms due to migraine  
(c) Traumatic brain injury or to its blood vessels  
(d) Vascular Disease affecting the eye or optic nerve or vestibular functions  

The narrowing of the lumen of Right Coronary Artery (RCA), Left Anterior Descending Artery (LAD) and Circumflex Artery (not inclusive of their branches) occurring at the same time by a minimum of 60% in each artery as proven by coronary arteriography (non-invasive diagnostic procedures are not covered). A narrowing of 60% or more of the Left Main Stem will be considered as a narrowing of the Left Anterior Descending Artery (LAD) and Circumflex Artery.  
This covered event is payable regardless of whether or not any form of coronary artery surgery has been performed.
| Optional 2A or Option 3A | Kidney Failure | Advanced Stage | 100 | **Kidney Failure** – requiring dialysis or kidney transplant
End stage kidney failure presenting as chronic Irreversible failure of both kidneys to function, as a result of which regular dialysis is initiated or renal transplantation is carried out by a nephrologist. |
|-------------------------|----------------|----------------|-----|--------------------------------------------------|
| Optional Cover B #      | Heart Attack   | Early Stage    | 50  | **Heart Attack**
(a) **Insertion of Cardiac Defibrillator**
Insertion of a Permanent cardiac defibrillator as a result of serious cardiac arrhythmia which cannot be treated via any other method. The surgical procedure must be certified to be absolutely necessary by a specialist in the relevant field. Cardiac condition resulting from alcohol abuse is excluded.
(b) **Insertion of Pacemaker**
Insertion of a Permanent cardiac pacemaker that is required as a result of serious cardiac arrhythmia which cannot be treated via other means. The insertion of the cardiac pacemaker must be certified to be absolutely necessary by a specialist in the relevant field. Cardiac condition resulting from alcohol abuse is excluded. |
| Optional Cover B #      | Stroke         | Early Stage    | 50  | **Stroke – Carotid Artery Surgery**
The actual undergoing of an endarterectomy of the Internal Carotid Artery or Common Carotid Artery as a result of a neurological deficit caused by a narrowing of a minimum of 80% arterial narrowing. The neurological complication should have been documented before the endarterectomy procedure.
Endarterectomy of blood vessels other than the carotid artery is specifically excluded. |
| Optional Cover B #      | Cancer         | Early Stage    | 50  | (a) **Carcinoma in situ**
Carcinoma in situ (CIS) means the focal autonomous new growth of carcinomatous cells confined to the cells in which it originated and has not yet resulted in the invasion and/or destruction of surrounding tissues. 'Invasion' means an infiltration and/or active destruction of normal tissue beyond the basement membrane. The diagnosis of the Carcinoma in situ must always be supported by a histopathological report. Furthermore, the diagnosis of Carcinoma in situ must always be positively diagnosed upon the basis of a microscopic examination of the fixed tissue, supported by a biopsy result. Clinical diagnosis does not meet this standard.
In the case of the cervix uteri, Pap smear alone is not acceptable and should be accompanied with cone biopsy or colposcopy with cervical biopsy. Clinical |

| Optional Cover B # | Kidney Failure | Early Stage | 50 | Chronic Kidney Disease  
A nephrologist must make a diagnosis of chronic kidney disease with permanently or severely impaired renal function. There must be accompanied with a laboratory evidence that showed the renal function is severely decreased with GFR of less than 15 ml/min/1.73m², persisting for a period of 6 months or more, whereby the diagnosis of the chronic kidney disease is stage 4 and above. |
|---|---|---|---|---|
| Option 3A | Coronary Artery By-Pass Surgery | Advanced Stage | 100 | Coronary Artery By-Pass Surgery  
Refers to the actual undergoing of open-chest surgery to correct or treat Coronary Artery Disease (CAD) by way of coronary artery by-pass grafting.  
For the above definition, the following are not covered:  
(a) angioplasty  
(b) other intra-arterial or catheter based techniques  
(c) keyhole procedures  
(d) laser procedures |
| Option 3A | Angioplasty and other invasive treatments for coronary artery disease | Advanced Stage | 10 | Angioplasty and other invasive treatments for coronary artery disease  
The actual undergoing for the first time of Coronary Artery Balloon Angioplasty, artherectomy, laser treatment or the insertion of a stent to correct a narrowing or blockage of one or more coronary arteries as shown by angiographic evidence.  
Intra-arterial investigative procedures are not covered.  
Payment under this clause is limited to 10% of the Critical Illness coverage under this policy subject to a maximum of RM25,000. This covered event is payable once only and shall be deducted from the payable Sum Insured of this Policy, thereby reducing the amount of the Sum Insured which may be payable. |
| Option 3A | End-Stage Liver Failure | Advanced Stage | 100 | End-Stage Liver Failure  
The End-stage liver failure as evidenced by all of the following:  
(a) Permanent jaundice; and  
(b) Ascites (excessive fluid in peritoneal cavity); and  
(c) Hepatic encephalopathy.  
Liver failure secondary to alcohol or drug abuse is not covered. |

First occurrence of burns that affect the epidermis, dermis and hypodermis at least 20% of total body surface causing charring of skin, muscle being irretrievably lost or charring of bones. |
| Option 3A | HIV Infection Due To Blood Transfusion | Advanced Stage | 100 | **HIV Infection Due To Blood Transfusion**  
Infection with the Human Immunodeficiency Virus (HIV) through a blood transfusion, provided that all of the following conditions are met:  
(a) The blood transfusion was medically necessary or given as part of a medical treatment; and  
(b) The blood transfusion was received in Malaysia or Singapore after the commencement of the policy; and  
(c) The source of the infection is established to be from **Granulomas**  
**Malformations in or of the arteries or veins of the brain**  
**Hematomas**  
**Tumours in the pituitary gland**  
**Tumours in the spine**  
**Tumours of the acoustic nerve.**
(d) The **Insured Person** does not suffer from hemophilia; and
(e) The **Insured Person** is not a member of any high risk groups including but not limited to intravenous drug users.

| Option 3A | Occupationally Acquired Human Immunodeficiency Virus (HIV) Infection | Advanced Stage | 100 | **Occupationally Acquired Human Immunodeficiency Virus (HIV) Infection**
Infection with the Human Immunodeficiency Virus (HIV) (only if the **Insured Person** is a Medical Staff as defined below), where it was acquired as a result of an **Accident** occurring during the course of carrying out normal occupational duties with seroconversion to HIV infection occurring within 6 months of the **Accident**. Any **Accident** giving rise to a potential claim must be reported to **Us** within 30 days of the **Accident** taking place supported by a negative HIV test taken within 7 days of the **Accident**.

“Medical Staff” is defined as doctors (Medical Officer / General Practitioner and Specialists), traditional practitioners, nurses, paramedics, laboratory technicians, dentists, dental nurses, ambulance workers who are working in a medical centre or hospital or dental clinic/polyclinic in Malaysia. Doctors, traditional practitioners, nurses and dentists must be registered with the Ministry of Health of Malaysia.

1) To be a Policyholder or an Insured Person under this Policy, one must be:
   a) a Malaysian citizen;
   b) a Permanent Resident of Malaysia; or
   c) a legal work permit or employment pass holder who is legally residing in Malaysia.

2) In addition to the requirements in Paragraph 1) above, one must also fulfill the following Age requirements:
   a) to be a Policyholder, one must be at least 18 years old;
   b) to be an Insured Person, one must be aged 15 days to 60 years old, renewable up to 70 years old; and
   c) for a child to be an Insured Person, the child must be at least 15 days old and is an unmarried person, is financially dependent upon the Policyholder and is under the Age of 19, or up to the Age of 23 for those registered as full-time students at a recognized educational institution.

3) Orang Kurang Upaya (OKU) is not eligible for the cover.

GENERAL CONDITIONS

1. Incontestability
   Except for fraud, We will not contest the validity of this Policy after it has been in force during the Insured Person’s lifetime for two (2) years continuously from the Issue Date. However, if We can show that there is a suppression of a material fact or a statement by You/the Insured Person on a material matter was inaccurate, false, misleading or it was fraudulently made or omitted, We shall have the right to void this Policy accordingly.

   Where this Policy has been in force during the lifetime of the Insured Person for two (2) years or less from the Issue Date, We may void this Policy and refuse all claims if a misrepresentation was found to be deliberate or reckless.

   If the misrepresentation was careless or innocent, We may at Our absolute discretion:
   (a) void this Policy and refuse all claims, in which case We shall refund all premiums paid. This payment shall be a complete and valid discharge of any of Our liability under this Policy;
   (b) include different terms if We would have entered into this Policy with different terms had the information been disclosed to Us; or
   (c) take any necessary remedies in accordance with the Financial Services Act 2013.

2. Misstatement of Age
   Subject to Our rights in the case of fraud, if the Insured Person’s Age has been misstated, the benefits, the premiums and the coverage terms under this Policy will be adjusted according to the correct Age.
(a) If the Age of the Insured Person is misstated and if the premium paid is lower than supposed premium, We will pay the benefits that the premium paid would have purchased according to the rate at the true Age, and not the benefits as shown in this Policy or any subsequent endorsement issued by Us;
(b) If the Age of the Insured Person is misstated and if the premium paid is higher than supposed premium, We will refund the excess of premium paid without interest;
(c) If the Insured Person was not insurable under this Policy according to Our requirements, this Policy (including any attached endorsement and supplement) will be void from the Policy Date and all premiums paid without interest will be refunded.

Proof of Age of the Insured Person shall be required prior to payment of any benefit under this Policy.

3. Termination
This Policy will be automatically terminated upon the first occurrence of any one of the following events:
(a) termination in accordance with the Grace Period clause under the Premium and Charges Provision;
(b) cancellation of the Policy;
(c) lapsation of the Policy;
(d) on the Expiry Date;
(e) 100% of the Critical Illness Sum Insured has been fully paid;
(f) when the Insured Person cease to satisfy any one (1) of the Eligibility criteria stated in Special Provisions; or
(g) death of the Insured Person.

Once terminated, this Policy shall cease to be in force. The payment or acceptance of any premium hereunder subsequent to the termination of this Policy shall not create any liability on Our part but We shall refund any such premium without interest.

4. Notice
Any notice to be given to You under this Policy will be sent to You via the correspondence address/e-mail address that You have registered with Us during the enrolment or change request in Our records at Our office. Any such notice will run from the time such notice is sent. In the case that any notice is returned undelivered to You, We may, at Our sole and absolute discretion, at Your own risk, withhold all subsequent notice until We have been notified by You of Your new correspondence address/e-mail address.

Every notice or communication to Us shall be in writing and sent to Us at Our authorized correspondence address/e-mail address.

5. Claim Procedures
Before We can consider a claim, please ensure that:
(a) You send to Us a completed claim form, filled in and signed by You and Your Physician as soon as You can, no later than 30 days from the date of diagnosis of a Disability made by Your Physician; and
(b) We receive a copy of completed medical report by Your Physician stipulating the diagnosis of
the condition treated and the date the Disability commenced in the Physician’s opinion, bill, receipts and other related diagnostic report; and
(c) You promptly give Us all information We have requested.

In the event of suspicion of fraud or dishonesty, We can appoint and pay for an independent Medical Practitioner to advise Us on the medical issues relating to any claim. If required by Us, the independent Medical Practitioner will also medically examine the Insured Person making the claim and provide Us with a report. The Insured Person must co-operate with the independent Medical Practitioner otherwise We have the right to refuse payment of the claim.

If You make a claim which is in any way dishonest:
(a) We will not pay any benefits for that claim; and
(b) if We have already paid benefits for that claim before We discovered the dishonesty, We can recover those benefits from You; and
(c) We can refuse to renew Your Policy; or
(d) We can impose different terms to any cover We are prepared to provide; or
(e) We can end Your Policy and all cover under it immediately.

The Insured Person shall immediately procure and act on proper medical advice and We shall not be held liable in the event a treatment or service becomes necessary due to failure of the Insured Person to do so.

6. Medical Examination
When a claim occurs, We may require the Insured Person to be examined by a Medical Practitioner of Our choice and We may require the Insured Person to undergo relevant laboratory investigations.

7. Currency of Payment
All payments under this Policy shall be made in the legal currency of Malaysia. Should You request any payments to be made in any other currency, then such amount shall be payable in the demand currency as may be purchased in Malaysia at the prevailing currency market rates on the date of the claim settlement.

8. Sanction and Limitation Exclusion
We shall not be deemed to have provided any insurance cover and/or shall not be liable to pay any claim or provide any benefit pursuant to this Policy, including but not limited to, making any cancellation, refund or surrender payments under this Policy, to the extent that the provision of such insurance cover and/or the payment of such claim and/or the provision of such benefit and/or the making of such payments, would expose Us to any sanction, prohibition or restriction under any laws and/or regulations, administered by any governmental, regulatory or competent authority, or any law enforcement in any country.

9. Tax
We reserve the right to levy such taxes allowable under the Laws of Malaysia.
10. Alterations

We reserve the right to amend the terms and provisions of this Policy by giving a thirty (30) days prior written notice to You / the Insured Person and such amendment will be applicable from the next renewal of this Policy. No alteration to this Policy shall be valid unless authorised by Us and such approval is endorsed thereon. This Policy shall then be read subject to such amendment.

11. Certification, Information and Evidence

All certificates, information, medical reports and evidence as required by Us shall be furnished at the expense of the Insured Person, and in such a form that We may require. In any event all notices which We require You to give must be in writing and addressed to Us. An Insured Person shall, at Our request and expense, submit to a medical examination whenever such is deemed necessary.

12. Period of Cover and Renewal

This Policy shall become effective following the Issue Date stated in the Policy Schedule or the endorsement, if any. The Policy Anniversary shall be one (1) year after the Policy Date and annually thereafter. On each such anniversary, this Policy is renewable at the premium rates in effect at that time and We shall notify You in writing of any change in the renewal premium at least thirty (30) days before the change takes effect.

This Policy will be renewable at Your option at each of the anniversary of the Policy Date. The renewal premium will increase with age and is not guaranteed. We reserve the right to revise the premium rate based on risk factors applicable at the time of renewal. Such changes, if any, shall be applicable to all Policyholders irrespective of their claim experience according to Our risk assessment.

This Policy is renewable at Your option until the occurrence of any of the following:
(a) Non-payment of premium or premium not made on time;
(b) Fraud or misrepresentation of material fact during application;
(c) This Policy is cancelled at Your request;
(d) The Insured Person cease to satisfy eligibility of the Age limit;
(e) 100% of the Critical Illness Sum Insured has been fully paid; or
(f) On the death of the Insured Person.

13. Change in Risk

The Insured Person shall give Us immediate written notice of any material changes in his/her occupation, business, duties or pursuits and pay any additional premium that We may require.

14. Subrogation

If We become liable for any payments under this Policy, We shall be subrogated to the extent of such payment to all the rights and remedies of the Insured Person against any parties and shall be entitled at Our own expense to sue in the name of the Insured Person. The Insured Person shall give or cause to be given to Us all such assistance in his/her power as We shall require to secure the rights and remedies and at Our request shall execute or cause to be executed all documents necessary to enable Us to effectively bring a suit in the name of the Insured Person.
15. **Change of Insurance Coverage**
   No option is allowed to add on the optional cover, upgrade or downgrade the insurance coverage during mid-term or renewal of the Policy.

16. **Waiting Period**
   1) Eligibility for benefits starts thirty (30) days from the **Issue Date** for **Advanced Stage** Critical Illness
   2) Eligibility for benefits starts sixty (60) days from the **Issue Date** for **Early Stage** Critical Illness and **Diabetic Care Disease**
   This shall not be applicable after first year of cover.

18. Condition Precedent to Liability

Your and the Insured Person’s due observance and the fulfillment of the terms, provisions and conditions of this Policy and in so far as they relate to anything to be done or complied with by You and the Insured Person shall be conditions precedent to any of Our liability.

19. Legal Proceedings

No action at law or in equity shall be brought to recover on this Policy prior to expiration of sixty (60) days after written proof of loss has been furnished in accordance with the requirements of this Policy. If the Insured Person shall fail to supply the requisite proof of loss as stipulated by the terms, provisions and conditions of this Policy, the Insured Person may, within the grace period of one (1) calendar year from the time that the written proof of loss to be furnished, submit to Us the relevant proof of loss with cogent reason(s) for the failure to comply with the Policy terms, provisions and conditions. The acceptance of such proof of loss shall be determined by Us. After such grace period has expired, We will not accept, for any reason whatsoever, such written proof of loss.

20. Policy Limits

Policy is on a named basis with one policy per individual subject to the limit as stated in the Schedule of Benefits. No corporate entities are entitled to purchase this insurance. Only one (1) cover is allowed for each Insured Person. If an Insured Person is covered under more than one plan, We will consider that Insured Person to be insured under the Policy which provides the highest benefit. When the benefit under each of such Policies is identical, We will consider that Insured Person to be insured under the Policy first issued.

21. Portfolio Withdrawal Condition

We reserve the right to cancel the portfolio as a whole if it decides to discontinue the product. Cancellation of the portfolio as a whole shall be given by written notice thirty (30) days to the Policyholder, and We will run off all policies to expiry of the period of cover within the portfolio.
PREMIUM AND CHARGES PROVISION

1. **Premium**
   Premium is on Cash Before Cover. You must pay the premium before the coverage under this Policy is effective. This insurance shall not be effective unless the premium due has been paid. Premiums must be paid in the same payment frequency and payable to Us on or before the due date.

2. **Premium rates**
   The premium rate is not guaranteed and may be revised from time to time. Thirty (30) days written notice in advance will be given to You and the premium revision will be applicable from the next Policy Anniversary.

3. **Grace Period**
   A fifteen (15) days grace period shall be allowed after each premium payment due date. This Policy shall remain in force during this grace period. If any claim arises during the grace period of fifteen (15) days, the claim which is payable in accordance with the terms, provisions, exclusions and conditions of this Policy is subject to deduction of any outstanding premium for the policy year and only the balance of the claim amount is payable.

   If the premium is unpaid by the last day of the grace period, the Policy shall no longer be in force.

4. **Cooling-off Period (only applicable for first year Policy)**
   If this Policy shall have been issued and for any reason whatsoever the Insured Person shall decide not to take up the Policy, the Insured Person may return the Policy to Us for cancellation provided such request for cancellation is delivered by the Insured Person to Us within fifteen (15) days from the date of delivery of the Policy. The Insured Person is entitled to the return of the full premium paid less deduction of medical expenses incurred by Us in the issuance of the Policy.

5. **Reinstatement**
   Reinstatement of Policy is allowed upon full payment of any outstanding premium within sixty (60) days from the premium due date and satisfactory response to the underwriting questionnaire. There will be no cover under the policy between the date of lapsation and reinstatement of the policy except during grace period of fifteen (15) days. Reinstatement will not be accepted after sixty (60) days from premium due date.

6. **Critical Illness Claim**
   If We have approved any claims under this Policy, and the claim incurred during the grace period, We will deduct any outstanding premium (full annual premium) that You owe Us from the benefit payable.
BENEFIT PROVISION

Subject to the terms and conditions contained below and while this Policy is in effect, We will pay the following benefits, if the Insured Person has been diagnosed as suffering from a Critical Illness. The benefit is payable to the Insured Person if the Policy has not been assigned, otherwise to the assignee.

1. Advanced Stage Critical Illness Benefit
   If the Insured Person is diagnosed of a Critical Illness under Advanced Stage, We will pay 100% of the Sum Insured (except for Angioplasty and other invasive treatments for coronary artery disease if the Insured Person purchases Option 3), less any benefit paid out previously under this Policy, provided the Insured Person survives for at least seven (7) days after the diagnosis of the Critical Illness under Advanced Stage. Thereafter, this Policy will automatically terminate, and the policy is non-renewable.

2. Early Stage Critical Illness Benefit (Only applicable if You purchase this optional cover)
   If the Insured Person is diagnosed of a Critical Illness under Early Stage, We will pay 50% of the Sum Insured, provided the Insured Person survives for at least seven (7) days after the diagnosis of the Critical Illness under Early Stage. Thereafter, no benefit will be payable for future claims under Early Stage of any Critical Illness Category. The Critical Illness Sum Insured shall be reduced by the Early Stage Critical Illness Benefit payout under this Policy.

3. Diabetic Care Disease (Only applicable if You purchase this optional cover)
   If the Insured Person is diagnosed with Diabetic Care Disease, We will pay the Sum Insured as specified in the Schedule of Benefit, provided the Insured Person survives for at least seven (7) days after the diagnosis of the Diabetic Care Disease. Diabetic Care Disease is a standalone benefit limit. Diabetic Care Disease Benefit shall terminate upon payment of the claim; however, this does not accelerate benefits under Advanced Stage Critical Illness Benefit & Early Stage Critical Illness Benefit (if applicable).

Only one (1) claim is allowed for each Critical Illness Stage. In the event that there are two (2) or more claims made, We will pay only one (1) claim, whichever is the highest.
EXCLUSIONS

This Policy does not cover any benefit if the Insured Person’s Critical Illness is caused by any one (1) of the following occurrences:

1. Any Illness or surgery other than diagnosis of or surgery for a Critical Illness as defined in the Critical Illness Table and/or Diabetic Care Disease as defined if included in the policy.

2. Any Pre-Existing Illness which has existed prior to the Issue Date or any date of reinstatement of this Policy, whichever is later.

3. The signs or symptoms manifested during the:
   a. sixty (60) days for Early Stage Critical Illness and Diabetic Care Disease
   b. thirty (30) days for Advanced Stage Critical Illness
   from the Issue Date of this Policy.

4. Self-inflicted injury or suicide, sexually transmitted diseases or Diseases resulting from Acquired Immune Deficiency Syndrome (AIDS), AIDS related complex or infection by Human Immune Deficiency Virus (HIV). The exception is when there is HIV infection due to Blood Transfusion, Occupational Acquired Human Immunodeficiency Virus (HIV) Infection or Full-Blown AIDS as defined included in this Policy.

5. Taking part in any flying activity other than as a passenger in a commercially licensed aircraft.

6. Any Critical Illness or Diabetic Care Disease resulting directly from alcohol or drug abuse.

7. Any Critical illness or Diabetic Care Disease arising from Congenital Conditions or deformities including hereditary conditions.

8. The Insured Person did not survive for at least seven (7) days after the diagnosis of a Critical Illness or Diabetic Care Disease.

9. The Insured Person refusing to consent to treatment or defying the advice of a special Physician.

10. Hazardous sports or pastimes including taking part in (or practicing for) professional sports, aerial sports, boxing, caving, climbing, horse-racing, jet-skiing, martial arts, mountaineering, off-piste skiing, pot-holing, power-boat racing, underwater diving, yacht racing or any race, trial or timed motor sport.

11. A claim arising directly or indirectly from infection from or conditions due to any communicable diseases which require quarantine by law.

12. Any Illness, injury or Disability arising from any unlawful or illegal act of the Insured Person.

13. The Insured Person is directly or indirectly involved in any of the occupations/duties listed below:
• Equestrian Jockeys, Racing Drivers, Professional Athletes
• Military, Armed Forces/Armed Personnel, Bodyguards
• Ship Crew, Shipbuilding and Repair Workers, Agricultural, Forestry or Fishery Workers
• Seamen, Divers, Oil and Gas Rig Workers, Power Plants Workers, Firefighters
