Cross-Border Finance (EMI), Certificate(15 Credits)

FINA-U-PC-001

Admitted Academic Year：2026

Program's Descriptions：

Finance is a highly internationalized professional field. With the ongoing trend of global financial integration, proficiency in English and interdisciplinary financial knowledge have become essential competencies for students in colleges of finance.

The purpose of this program is to provide an English-learning environment for finance students while strengthening their interdisciplinary financial expertise. It aims to cultivate internationally oriented, cross-disciplinary financial professionals and enhance students' competitiveness in the global job market.
