

Feng Chia University (FCU) × Siliconware Precision Industries (SPIL)

International Master's Program in Semiconductor Engineering

THE GLOBAL HEART OF SEMICONDUCTORS

Study at Feng Chia University and launch your career with SPIL.

Industry-Academia Collaboration with global IC packaging leader SPIL

The English-taught Program. Professional training in Year 1, industry internship in Year 2

Guaranteed internship with NT\$33,000/month allowance

PROGRAM STRUCTURE: 1+1 FAST-TRACK

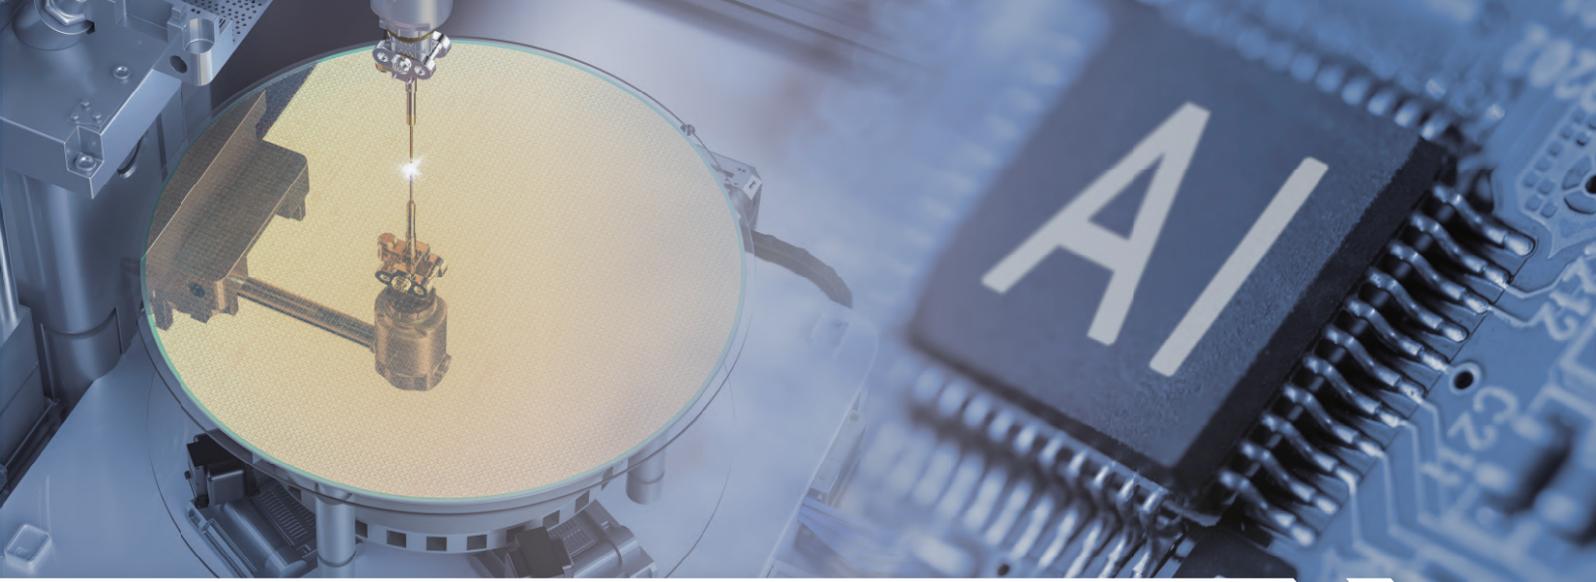

YEAR 1

Professional Training at FCU

YEAR 2

Internship at SPIL

Master your future in Taiwan

▶ Application Period

- Application Period: March 5 – May 12, 2026
- Announcement of Admission Results: July 2, 2026
- Registration: September 8, 2026

▶ Employment Commitment
